conflict with their former colonial masters as were the Filipinos with their Spanish rulers in Rizal's day. The Subversive poses questions about colonialism which are still being asked today: does a civilizing mission justify subjection of a people? Should a colony aim at assimilation or independence? If independence should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, The Subversive is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma Guerrero, Philippine ambassador to the Court of St James, conveys the immediacy of the original and makes this important work available to a new generation of readers. His translation of The Lost Eden is also available in the Norton Library.

The Social Cancer José Rizal, 2016-09-01 We travel rapidly in these historical sketches The reader flies in his express train in a few minutes through a couple of centuries The centuries pass more slowly to those to whom the years are doled out day by day Institutions grow and beneficently develop themselves making their way into the hearts of generations which are shorter lived than they attracting love and respect and winning loyal obedience and then as gradually forfeiting by their shortcomings the allegiance which had been honorably gained in worthier periods We see wealth and greatness we see corruption and vice and one seems to follow so close upon the other that we fancy they must have always co-existed We look more steadily and we perceive long periods of time in which there is first a growth and then a decay like what we perceive in a tree of the forest FROUDE *Annals of an English Abbey*
