Narrative of the life of Frederick Douglass, an American slave. Written by himself. [With] Appendix Frederick Douglass,1851      Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass,2014 This eBook version of Narrative of the Life of Frederick Douglass an American Slave presents the full text of this literary classic

*Narrative of the Life of Frederick Douglass Written by Himself (Full Text)*. Frederick Douglass,2013-07-12 Frederick Douglass was a man of his time and race a leader and fighter against the irrational and inhuman treatment of the blacks This narrative is one of the most influential among African American books denouncing the Institution of Slavery It was written in 1845 over fifty years after the narrative of the great son of Africa Olaudah Equiano 1797 Being a slave himself the accounts Douglass narrates are very important as a primary source describing the endurances and tribulations he had suffered under the slavery of the Southern territories especially in Maryland His life was full of bitterness grief and sorrow but certainly he became a great man indeed also against all odds

**Narrative of the Life of Frederick Douglass, an American Slave** Frederick Douglass,2018-08-09 Narrative of the Life of Frederick Douglass an American Slave Frederick Douglass wrote in 1845 It s an autobiographic story about slavery and freedom constant aim to run away from the owner and at last become a free man One failure follows another one But in the end the fortune favours Douglass and he runs away on a train to the north New York It would seem he is free now Suddenly he realises that his journey isn t finished yet He understands that even after he got free he can t be at real liberty until the slavery is abolished in the USA      The Narrative Life of Frederick Douglass (Original Text Edition) Frederick Douglass,2016-08-24 The Narrative Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass It is generally held to be the most famous of a number of narratives written by former slaves during the same period In factual detail the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States      *The Narrative of the Life of Frederick Douglass* Frederick

Douglass,2020-04-12 First published in 1845 the Narrative of the Life of Frederick Douglass is the memoir of former slave turned abolitionist Frederick Douglass Considered as one of the most famous of all the slave narratives ever written the story recounts Douglass s life from early childhood growing up in Maryland as a slave to his eventual escape to the North Douglass tells of his life with various owners depicting the cruelty that he himself endured and was witness to Douglass begins to learn to read and write when his master s wife Mrs Sophia Auld begins teaching him the alphabet and some small words His instruction quickly comes to an end though when Mr Auld disapproves Douglass however realizing the importance of literacy takes it upon himself to learn to read and write This decision would serve him well as he would eventually use it to document the civil injustices of slavery in 19th century America and to craft his impassioned oratories against it The work of Frederick Douglass would be an early and inspirational voice in the abolitionist movement one which would give hope to the cause and

which would ultimately help to bring about an end to that brutally unjust chapter of American history known as slavery

Narrative of the Life of Frederick Douglass Frederick Douglass, 2021-12-02 Narrative of the Life of Frederick Douglass an American Slave is the 1845 autobiography of freed slave and abolitionist Frederick Douglass. It recounts his life as a slave in Maryland and his flight for freedom. The account is accompanied by texts written by well-known fellow abolitionists of the time, William Lloyd Garrison and Wendell Phillips, acting as proof of the legitimacy of the author's claims. Upon its publication, the text was well received, although it did get some negative feedback both from people acquainted with Douglass's old masters and with people doubting their cruelty or that a black man could have written such a text. Nevertheless, Narrative of the Life of Frederick Douglass an American Slave had a huge impact on society and remains one of the most read and studied personal accounts of slavery in America in the 19th century to this day. Frederick Douglass (1818-1895) was an American abolitionist and author. Born into slavery in Maryland, he was of African, European, and Native American descent. He was separated from his mother at a young age and lived with his grandmother until he was sold. Frederick was taught his alphabet by the wife of one of his owners, a knowledge he passed on to other slaves. In 1838, he successfully escaped slavery by jumping on a north-bound train. After less than 24 hours, he was in New York and free. The same year, he married the woman that had inspired his run for freedom and started working actively as a social reformer, orator, statesman, and women's rights defender. He remains most known today for his 1845 autobiography, Narrative of the Life of Frederick Douglass an American Slave.

Narrative of the Life of Frederick Douglass Frederick Douglass, 2009-04-15 No book more vividly explains the horror of American slavery and the emotional impetus behind the antislavery movement than Frederick Douglass's Narrative. In an introductory essay, Robert B. Stepto reexamines the extraordinary life and achievement of a man who escaped from slavery to become a leading abolitionist and one of our most important writers. The John Harvard Library text reproduces the first edition published in Boston in 1845.

**Narrative of the Life of Frederick Douglass** Frederick Douglass, 2020-04-18 My Dear Friend, You remember the old fable of The Man and the Lion, where the lion complained that he should not be so misrepresented when the lions wrote history. I am glad the time has come when the lions write history. We have been left long enough to gather the character of slavery from the involuntary evidence of the masters. One might indeed rest sufficiently satisfied with what it is evident must be in general the results of such a relation without seeking farther to find whether they have followed in every instance. Indeed, those who stare at the half-peck of corn a week and love to count the lashes on the slave's back are seldom the stuff out of which reformers and abolitionists are to be made. I remember that in 1838 many were waiting for the results of the West India experiment before they could come into our ranks. Those results have come long ago, but alas, few of that number have come with them as converts. A man must be disposed to judge of emancipation by other tests than whether it has increased the produce of sugar and to hate slavery for other reasons than because it starves men and whips women before he is ready to lay the first stone of his anti-slavery li
