What Book In The Bible Should I Read For Guidance

Sharon Moughtin-Mumby

One-To-One Bible Reading David Helm,2020-10 Can you think of people in your life who you would like to see progress spiritually? Here's a way to help them understand more of God in a way that is simple and personal, and that doesn't rely on getting them to a church program or event.

Sexual and Marital Metaphors in Hosea, Jeremiah, Isaiah, and Ezekiel Sharon Moughtin-Mumby,2008-06-05 Sharon Moughtin-Mumby considers the often unrecognised impact of different approaches to metaphor on readings of the prophetic sexual and marital metaphorical language. She outlines a practical and consciously simplified approach to metaphor, placing strong emphasis on the influence of literary context on metaphorical meaning. Drawing on this approach, she read Hosea 4-14, Jeremiah 2:1-4:4, Isaiah, Ezekiel 16 and 23, and Hosea 1-3 with fresh eyes. Her lucid new readings reveal the way in which scholarship has repeatedly stifled the prophetic metaphorical language by reading it within the 'default contexts' of 'the marriage metaphor' and 'cultic prostitution', which for so many years have been simply assumed. Readers are encouraged instead to read these diverse metaphors and similes within their distinctive literary contexts in which they have the potential to rise vividly to life, provoking the question: how are we to respond to these disquieting, powerful texts in the midst of the Hebrew Bible?

Therefore I Have Hope Cameron Cole,2018-07-20 Throughout the journey of my worst nightmare—my descent into a dark, sad valley—the Holy Spirit would remind me of truths that comforted my soul and sustained my life. After the sudden death of their three-year-old son, Cameron Cole and his wife found themselves clinging to Christ through twelve key theological truths—truths that became their lifeline in the midst of unthinkable grief. Weaving together their own story of tragic loss and abiding faith, Cole explores these twelve life-giving truths to offer hope and comfort to those in the midst of tragedy.

The Mingling of Souls  Matt Chandler, 2015-01-01

The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Because emotions rise and fall with a single glance, touch, kiss, or word. And we are inundated with songs, movies, and advice that contradicts God's design for love and intimacy. Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed: Attraction, Courtship, Marriage ... even Arguing. The Mingling of Souls will forever change how you view and approach love.

The Bible For Dummies (9781119293507) was previously published as The Bible For Dummies (9780764552960). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Discover the world’s all-time bestseller in an entirely new light Ninety percent of Americans own a copy of the Bible, and while it's the most widely read book, it's also the least understood. Regardless of your religion, understanding the Bible brings much of Western art, literature, and public discourse into greater focus—from Leonardo da Vinci's Last Supper painting to the Wachowski brothers' The Matrix movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions. The Bible For Dummies appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as: Where did the Bible come from? Who wrote the Bible? How is the Bible put together? Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. The Bible For Dummies covers these topics and more: Ten people in the Bible you should know The Hebrew Bible The Apocrypha's hidden treasures What's new about the New Testament Israel's wisdom, literature, and love poetry The Bible's enduring influence The prophets: more than fortunetellers Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, The Bible For Dummies has all the information you need to navigate this ancient and fascinating book.

**Gospel-Centered Youth Ministry** Cameron Cole, Jon Nielson, 2016-02-12
Youth ministry is an essential part of most evangelical churches. And yet, there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel-focused lens. Featuring contributions from a host of experienced youth workers from a wide variety of churches, this how-to manual offers guidance related to every facet of youth ministry, from planning short-term mission trips to working with parents. Theologically rooted yet eminently practical, this handbook will equip youth leaders to effectively shepherd the young people under their care—training them to live faithfully in their homes, churches, and schools.

**What the Bible Teaches about Guidance** Peter Bloomfield, 2006-01-01
How can I know God's will for me? What does God want me to do? How can I know I am doing the right thing? The question of divine guidance is one that has always caused confusion among Christians. In this book Peter Bloomfield dispels the notion that there is just one perfect plan for our lives, and urges us to follow the Scriptures, which provide all we need to live lives that are pleasing to our heavenly Father.

**Decision Making and the Will of God** Garry Friesen, J. Robin Maxson, 2009-10-07
Does God Have a Perfect Will for Your Life? Does God have a perfect will for each Christian? Can you be absolutely certain of God's specific will for your life? In this expanded twenty-fifth anniversary edition of his highly acclaimed work, Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us. This new edition includes these helpful resources: • Study guide for small groups • Responses to Frequently Asked Questions • Guide to painless Scripture memorization. Friesen tackles the very practical issues of choosing a mate, picking a career, and giving in this fresh and liberating approach to decision making and the will of God. Story Behind the Book Most Christians have been taught how to find God's will, yet many are still unsure whether they've found it. God does guide His people, but the question is, “How does He guide?” After “putting out a fleece” to decide which college to attend, Garry Friesen began pondering why it was so hard to find God’s will when he had so sincerely sought it. Was he the only one who did not have 100 percent clarity for every decision? Then a new possibility struck—perhaps his understanding of the nature of God’s will was biblically deficient. Maybe there was a better way to understand HOW God guides.

**Bringing God Up to Date** John Hunt, 2021-10-29
Religion is an essential part of our humanity. We all follow some form of religion, in the original meaning of the word. But organized religion establishes definitions, boundaries and hierarchies which the founders would be amazed by. This is perhaps more true of Christianity than most other religions, due to the short life of Jesus, his sudden death, the lack of any contemporary records. His teaching about the kingdom of God is great; it could see us through our time on earth. But his followers watered it down and soon lost it altogether. It became a kingdom in heaven for the few, rather than one here and now for everyone. The Church, or Churches, that resulted became increasingly irrelevant, even a hindrance, to seeing it realized. Many will always find security and truth in the traditions that developed,
and good for them. But for those who can't, for those who have given up on religion or never thought it worth considering, the original teachings are worth another look. If we could recover them and live by them, we could change ourselves and the world for the better. We could bring God up to date.

**The Good Book** A. C. Grayling, 2011-04-05 Few, if any, thinkers and writers today would have the imagination, the breadth of knowledge, the literary skill, and -yes-the audacity to conceive of a powerful, secular alternative to the Bible. But that is exactly what A.C. Grayling has done by creating a non-religious Bible, drawn from the wealth of secular literature and philosophy in both Western and Eastern traditions, using the same techniques of editing, redaction, and adaptation that produced the holy books of the Judaeo-Christian and Islamic religions. The Good Book consciously takes its design and presentation from the Bible, in its beauty of language and arrangement into short chapters and verses for ease of reading and quotability, offering to the non-religious seeker all the wisdom, insight, solace, inspiration, and perspective of secular humanist traditions that are older, far richer and more various than Christianity. Organized in 12 main sections----Genesis, Histories, Widsom, The Sages, Parables, Consolations, Lamentations, Proverbs, Songs, Epistles, Acts, and the Good----The Good Book opens with meditations on the origin and progress of the world and human life in it, then devotes attention to the question of how life should be lived, how we relate to one another, and how vicissitudes are to be faced and joys appreciated. Incorporating the writing of Herodotus and Lucretius, Confucius and Mencius, Seneca and Cicero, Montaigne, Bacon, and so many others, The Good Book will fulfill its audacious purpose in every way.

**Making Sense of the Bible [Leader Guide]** Adam Hamilton, 2014-09-15 In this six week video study, Adam Hamilton explores the key points in his new book, Making Sense of the Bible. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

Trust in God's wisdom and let his plan follow its plotted course, Wisdom of the Bible is the book to reach for whenever you need a word of wisdom. A great gift idea. Happy is the man that finds wisdom, and the man that gets understanding. — Proverbs 3:13

The Wisdom of Proverbs, Job and Ecclesiastes Derek Kidner, 2015-04-21 Sensitive to both literary form and theological content, Derek Kidner introduces Proverbs, Job and Ecclesiastes, explaining their basic character and internal structure. He also summarizes and evaluates the wealth of modern criticism focused on each book. Looking at all three books together, Kidner shows how their many voices compare, contrast and ultimately give a unified view of life.

Good Book David Plotz, 2009-02-20 “Hilarious... It’s Cliff Notes for Scripture—screenplay by Plotz, story by God... In the end, though, the book is made by the spirit of the writer.” — The New York Times Book Review “Like the Bible itself, Good Book contains multitudes—it is by turns thought-provoking, funny, enlightening and moving.” — A. J. Jacobs, author of The Year of Living Biblically “Plotz is a genius writer.” — Franklin Foer, author of How Soccer Explains the World A whip-smart, laugh-out-loud tour through the most important book in the world, a book most people have never read: the Bible.

The Bible Guide Andrew Knowles, 2001 An illustrated companion guide to the Bible provides insight, time lines, chapter outlines, and context, staying close to the text and offering running commentaries and descriptions.

The Bible Tells Me So Peter Enns, 2014-09-09 The controversial Bible scholar and author of The Evolution of Adam recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God’s Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to “protect” the Bible, Enns was conflicted. Is this what God really requires? How could God’s plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. The Bible Tells Me So chronicles Enns’s spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God’s Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.
